Let your precious treasures travel in style and comfort in our exquisite and unparalleled Royal Travel Jewelry Case. Fashioned from our iconic SD Monogram Coated Cotton Canvas, elegant Waterfall-patterned nylon beautifully decorates the interior and invites your collectibles to be transported with panache. The luxurious top handle allows you to prance with your treasures in tow. Four amazing different-sized Waterfall-patterned custom zip pouches are designed to fit earrings, bracelet, pendants, necklaces, and watches, and fit together beautifully in the jewelry case. Black velvet dividers are fashioned into the zip pouches allowing a second jewelry treasure to be added and separated from its neighbor. The watch zip pouch includes a special pillow for your watch maintaining its shape on the go. An elegant custom Waterfall zip cover is tailored for the Jewelry Case to preserve and protect in storage or during travel. A second smaller Waterfall patterned zip tote stores the zip pouches when not in use or can be popped in your purse for event needs.
